

## **ISTANBUL BEYKENT UNIVERSITY MANAGEMENT SYSTEM POLICY**

Through its Management System Policy, Istanbul Beykent University aims to convey its commitment and consistency in achieving institutional goals to all stakeholders, based on leadership and management processes. With a student-centered, quality-focused, and transparent governance approach, it strives to be a respected educational institution in Turkey and worldwide.

The objectives shaped within the framework of the Management System Policy adopted by Istanbul Beykent University are as follows:

- 1.** Using all resources related to management processes effectively and efficiently.
- 2.** Ensuring institutional memory and establishing the institution's culture among stakeholders.
- 3.** Offering training and career development opportunities that enhance the knowledge, skills, and competencies of personnel in line with human resource needs.
- 4.** Strengthening the IT infrastructure, enhancing the capabilities of administrative and operational processes.
- 5.** Increasing harmony and coordination between units.
- 6.** Ensuring the sustainability of the mechanisms within the institution to increase the effectiveness and efficiency of the Management System Policy by maintaining their activities with the "plan, do, check, act" managerial cycle.

Evaluations are made to monitor the realization of these objectives, and corrective and continuous improvement measures are taken when necessary.
